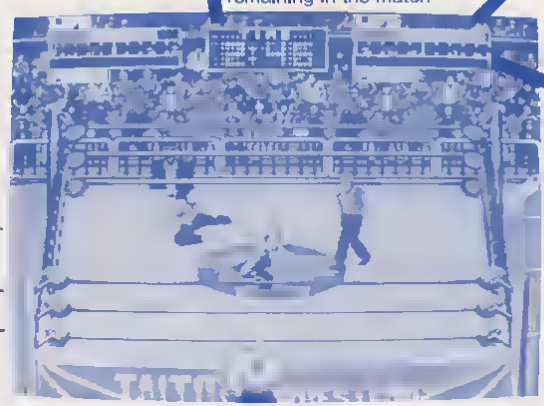
- 20-count ring out
- Giving up
- Time out

Test your fighting skills with eight direction levers and buttons A & B

● Fight Money
The fight money varies depending on the match

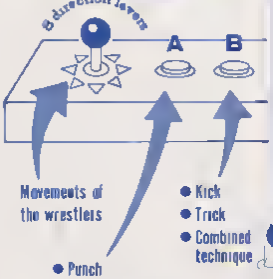
★ Timer
Shows the amount of time remaining in the match

★ Life Gauge
Shows the wrestlers' remaining physical strength. It's recovered with time



★ Power Gauge
The power for when testing your skills. Press the button repeatedly and raise the lever noisily! You recover your strength also!

BASIC OPERATION



▶▶ When the lever is thrust agilely twice in a direction, the wrestler dashes in that direction!

When the lever is moved diagonally, the wrestler climbs on a post. After he has climbed up, he launches a destructive attack.

● Free-for-alls outside the ring
The wrestlers can also move around outside the ring

● Attacks with dangerous weapons
By operating the buttons, wrestlers can be made to attack with chairs, sticks and bamboo swords

● Attacks from corner posts
Wrestlers climb onto corner posts and fly through the air

8 TOUGH FIGHTERS

Fighters are chosen from among the 8 wrestlers.
